

WRATH REVEALED

ROMANS 1:18-32

Paul begins his explanation of the gospel by showing who we are and what we need to be saved from. It isn't a pretty picture. Take a few minutes to read through Romans 1:18-32. Then re-read Romans 1:18-19.

- How would you describe 'the wrath of God'? How is it similar to or different from human anger?
- What do you feel about God being a wrathful God?
- Is God's wrath something that you are comfortable with? Why or why not?
- What in this list of man's unrighteousness (Rom 1:26-32) stands out to you and why?

Some have said that the gospel can be summed up with two phrases: "We are worse than we realize. We are more loved than we ever imagined."

- How does Romans 1:18-32 contribute to the first statement? Why is this important?
- How do we react to a passage like this? What are wrong reactions? What are right reactions?
- What do you think the Holy Spirit wants to do in our lives this week?
