

# FROM THEOLOGY TO LIFE AND BACK AGAIN

## ROMANS 5:1-11 PT 1

Read Romans 5:1-5 out loud as a group; then read it again silently.

From what we have studied in Romans so far, how would you define 'justification'?

What does it mean to have peace with God? Why is that important?

How does the stability of your relationship to God affect you?

How do we have access to God?

How is verse 3 being worked out in your life today?

What is one thing in this passage that you would like to grow in this week?

Remember to pray for someone who doesn't know Jesus yet.
