

FROM THEOLOGY TO LIFE AND BACK AGAIN

ROMANS 5:1-11 PT 2

Optional initial question for everyone: Tell about one time in your life that you felt weak and out of control.

Read Romans 5:1-11

What stands out to you and why?

Verse 6 says, "for while we were still weak..." What is this weakness? Have you ever felt spiritually weak? Tell about it.

Does this passage have any commands that we are to obey in it? What does the absence of commands here have to do with the gospel?

What is the main teaching of this passage? What difference is this making in our lives?

Vs 11 says that we "rejoice in God through our Lord Jesus Christ...". How is your rejoicing doing these days? Are you a joyful person because of these verses? If not, what is getting in the way?
