

SLAVES OF GOD

ROMANS 6:15-23

Read Romans 6:15-23 together.

What are the two questions in Romans 6 that Paul answers with “No way!”? How are they related?

What is this passage teaching about slavery? How is being a slave to God different than being a slave to sin?

Would you agree with the statement: “All sin is addiction.” Why or why not?

Do you understand whose you are? What does being redeemed have to do with this?

Is being a slave to God a desirable thing to you? Why or why not?

What will be different about this week if you more fully grasp these truths?
