

THE LAW AND THE GOSPEL

ROMANS 7 PT 1

Read Romans 7:1-6

What is the main issue here? What is 'the Law' Paul is talking about?

What is the error that churches can fall into regarding the Law? What kind of things do 'good Christians' do?

Are you a legalist? How so or why not? How might we act like a legalist?

When Paul says 'living in the flesh' (v 5) what do you think he means? What does it look like to 'live in the flesh'?

What does it mean to "serve in the new way of the Spirit?"

How can we live in this way? How is it different than living under the 'written code'?
